This horizontal bar chart displays 40 rows of data. Each row consists of a solid black bar. The bars vary in length, with some being very short and others extending across most of the chart's width. The bars are arranged in a single column, one below the other, with no visible labels or grid lines.

A horizontal bar chart consisting of 18 bars. The bars are arranged vertically, with the longest bar at the top and the shortest bar in the middle. The lengths of the bars vary significantly, with some being nearly full-width and others being very short. The bars are all a uniform dark gray color. The chart is set against a white background with a thin gray border on the left side.
